| 57 - James                | 116 - Partis.                 |
| 58 - Harras               |                               |

**NOTE** In certain cases the same name has been given to different pits. The shafts marked thus  are known to have existed, but their names are now lost.

"Bearnmouths" (walk-in workings) are shown thus
