

33. QUEEN STREET,

WHITEHAVEN, 14th December, 1871.

DEAR SIR,

The Mowbray Iron Ore Company is about to be registered under "The Companies' Act, 1867," as a Limited Company, with a capital of £20,000, divided into shares of £20 each.

I have some shares to sell, and, if you are disposed to purchase, I will have pleasure in supplying all particulars as to price, &c.

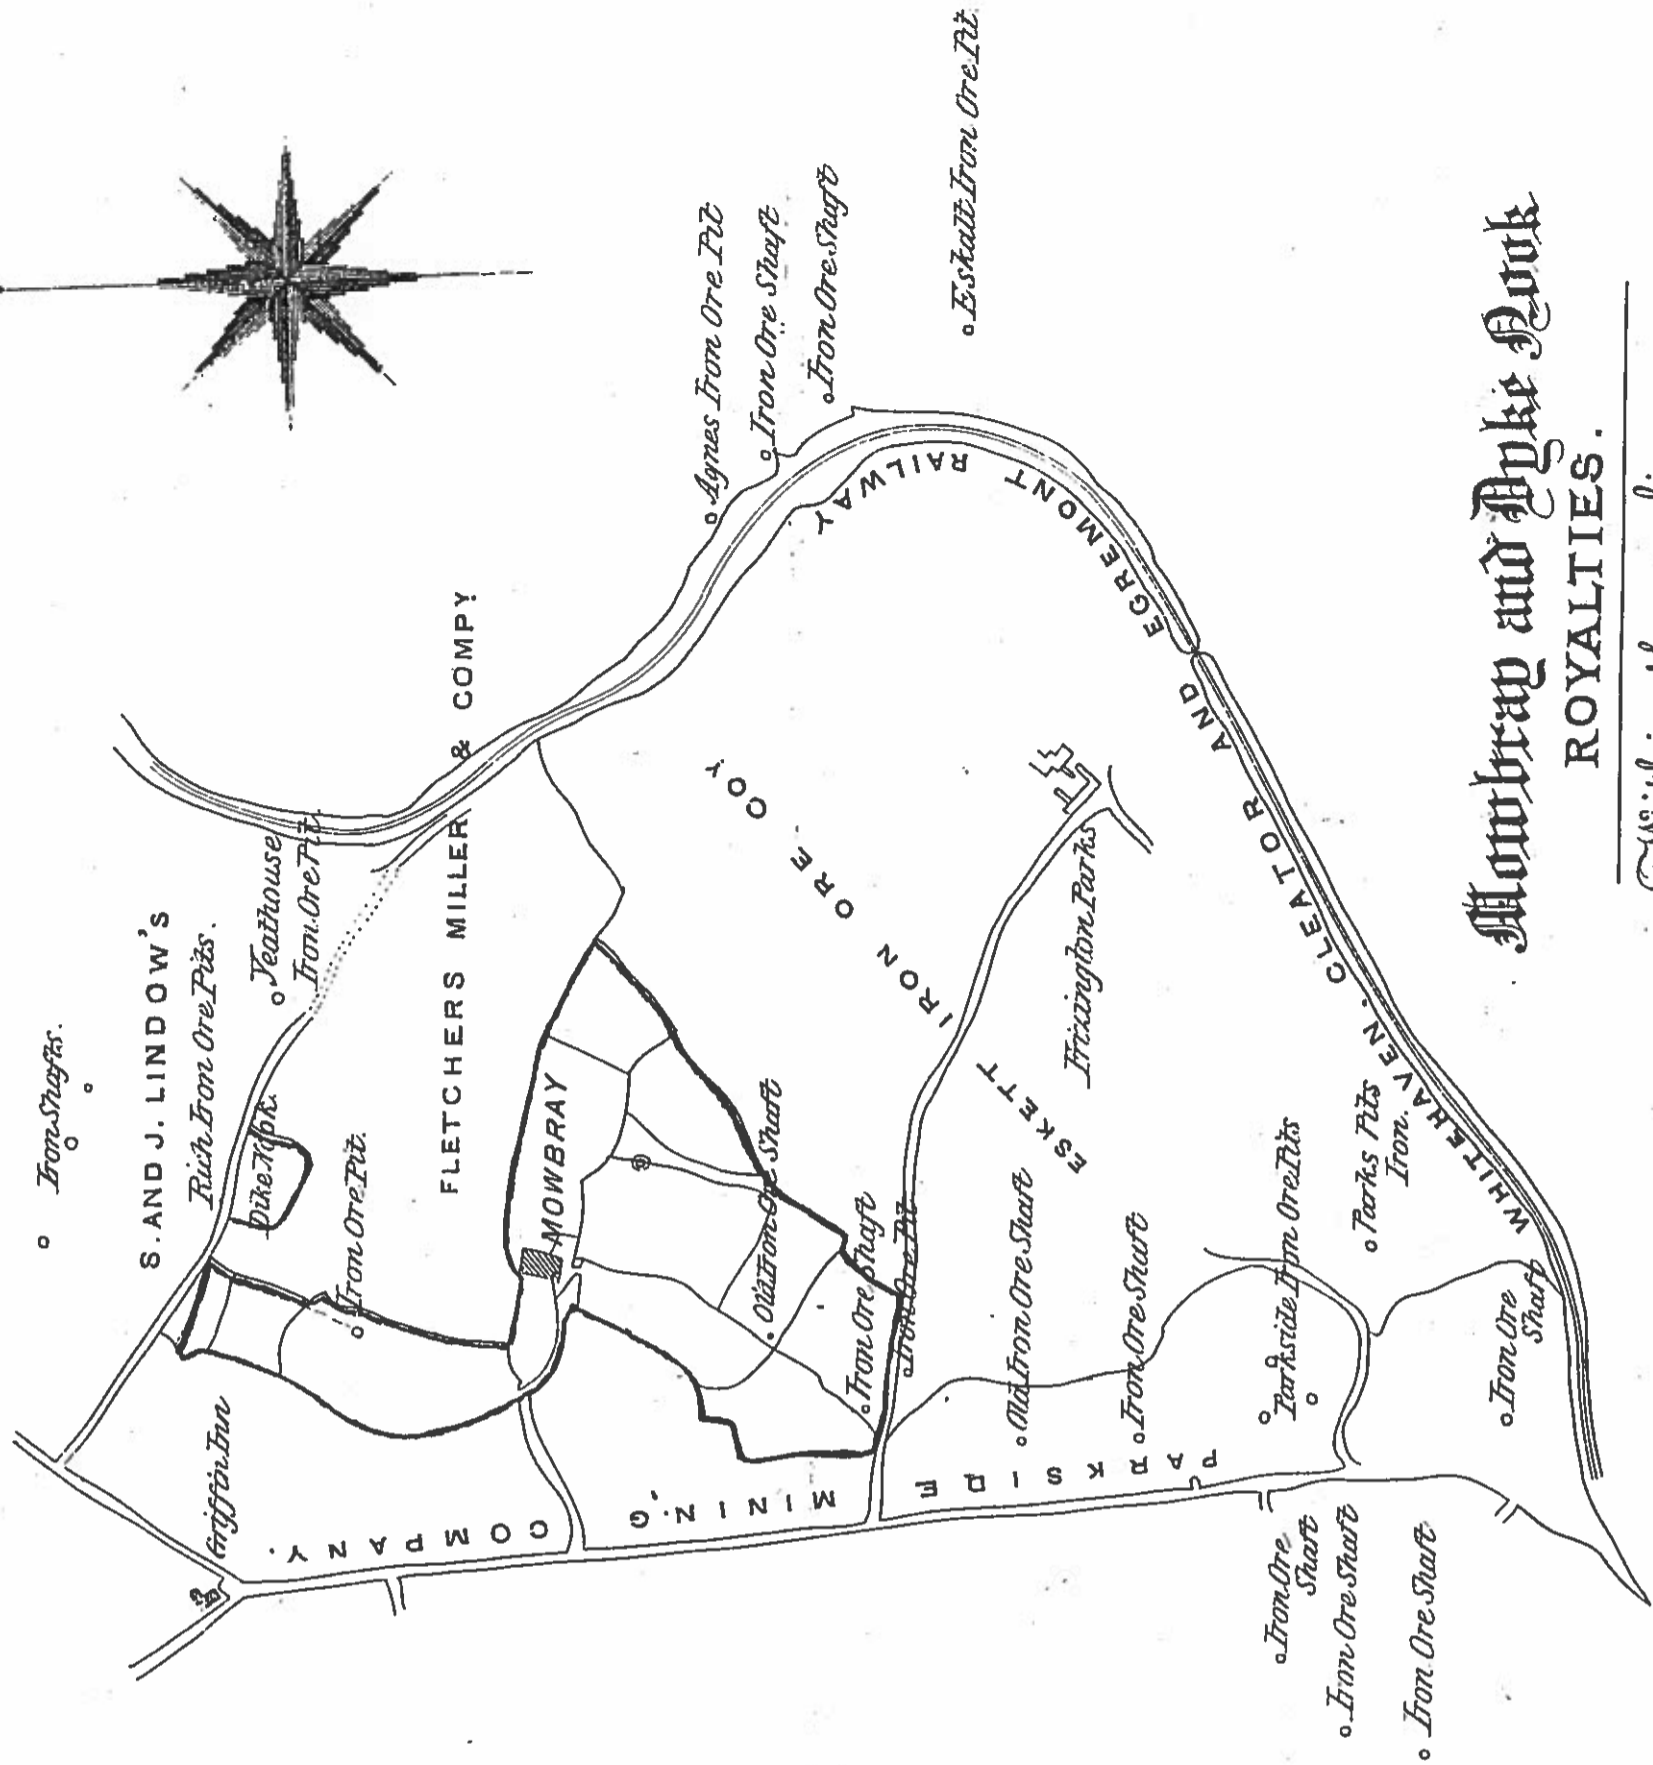

The Royalties are upwards of sixty acres in extent, are situate in the heart of the Iron Ore District (as will be seen from the enclosed plan), and adjoin mines in active operation.

The greater portion of the Royalties is unexplored.

The whole of the Royalties in the Cleator and Frizington Districts have been taken up by Iron Companies and others, and this is the only opportunity you may have of securing an interest in an undertaking similar to those which have proved so remunerative in this neighbourhood.

Yours truly,

J. ROBERTSON.
